Mission Focus for December: Hope Pregnancy Center

Hope Pregnancy Center offers alternatives to abortion through Biblical instruction, practical assistance, education and referrals to women and men involved in crisis pregnancies. The non-profit ministry is comprised of board members who

view the abortion question from a biblical perspective. They see the work as an opportunity to minister to young women and girls involved in crisis pregnancies and to demonstrate the love of Jesus the Messiah through biblical counseling and practical assistance. Local offices are in Ocean City and Rio Grande.

Hope Pregnancy Center provides free, confidential, compassionate, caring help. They are not there to judge, but to offer support and be a listening ear. Christian counseling is available for anyone involved in an unplanned pregnancy, including husbands, parents and boyfriends. Referrals are provided for prenatal care, housing assistance, community resources and adoption. Clients in need can receive maternity clothes, baby supplies and baby clothing. Visit their Facebook page or their website: www.hopepregnancycenternj.org for more information.
